OUR HOUSE GALA

SILENT AUCTION

MAY 19, 2018

The Homeless Prenatal Program (HPP) is pleased to announce this year's Our House Gala will be held on Saturday, May 19th, 2018. Our House celebrates its service to the community by bringing together over 400 supporters, community members and corporate partners for a jubilant evening filled with live music, cocktails and dancing.

SILENT AUCTION

HPP hopes you might consider making a donation to the Our House Silent Auction, which raises over \$20,000 to directly benefit the agency's work. Donating to the Our House Silent Auction offers your organization the opportunity to support HPP's important work, while receiving valuable corporate recognition and visibility in the community.

HOMELESS PRENATAL PROGRAM

HPP empowers low-income and homeless families, particularly mothers motivated by pregnancy and parenthood, to find within themselves the strength and confidence they need to transform their lives. Serving over 4,000 families annually, HPP offers case management, prenatal and parenting support, housing assistance, domestic violence services, mental health services, substance abuse support, child welfare support, job training and emergency support of basic needs. The first agency in San Francisco to hire former clients as direct service staff, HPP is unique in that its growth and evolution has been guided, from its earliest days, by the community it serves. HPP's mission is: in partnership with our families, break the cycle of childhood poverty.
